

**GLOBAL
MANUFACTURING
LEADERSHIP PROGRAM**
MANUFACTURING LEADERS

THE GREAT ONES DON'T WAIT FOR SUCCESS. THEY CREATE IT.

GLOBAL MANUFACTURING LEADERSHIP PROGRAM

Empowering talent with diverse skills to develop multi-sectoral expertise.

Apply for the Aditya Birla Group's Global Manufacturing Leadership Program (GMLP) today! Gain access to world-class evolving technologies and state-of-the-art R&D labs across our diverse range of sectors, including **Metals, Cement, Textiles, Pulp & Fibre, Mining, Fertilizers, Insulators, Carbon Black and Chemicals.**

In its 5th year, we are looking for passionate engineering professionals with 10-20 years of experience to take the Group's manufacturing prowess to the next level. GMLP provides a platform to high-performing, ambitious and mature manufacturing professionals who enjoy working in a challenging and supportive environment. GMLP members are handpicked and groomed to join the league of leaders at the Aditya Birla Group.

Minimum Eligibility Criteria: Candidates holding B.E., B.Tech degrees.
